WORKSHOP CONTENT

"Introduction to Pursuing your Life PASSIONS"

Be Prepared **Self Identity**	This session explores who you are uniquely created to be, when you is brought to life, what is possible? The Language we use to express ourselves both out loud and in our minds.
Be Strengthened **My Toolbox**	This session equips you with the concept that change requires a process and momentum to journey into the fulfillment of your passion.
Be Empowered **Passion – No Limits**	This session is your dream session. Allow yourself to work without setting limits. Articulate what your want to achieve and how you are going to do it.
Celebrate **& Reflect**	This session is about celebrating what you have already achieved and how to resolve the journey of the not there yet moments.

If you have any questions please don't hesitate to call...
